4. You can now see the available courses and exams for which you can register via heiCO. Click on the button „Go to exam registration“ (see fig. 4) to start the registration process.

5. You will now be shown the place, time, date, examiner and registration/deregistration period for the exam. If a selection of exam dates is available, select a date. To continue click on the button „Go to exam registration“ (see fig. 5).

6. In the overview you will find even more details on the selected examination date (see fig. 6). Please check the chosen degree programme and the curriculum context. If necessary select a different degree programme or curriculum context in the drop-down-menu. Then click on „Register“.

Please note: If you want the exam to be credited as a cross-curricular competence, you must select the option „Free registration“ under „Select curriculum context“.

2. Deregistration from an exam

7. You will now receive a message from the system that your preliminary registration has been successfully completed (see fig. 7). The prerequisites for the exam will be checked later. If you do not meet the exam requirements, you will be deregistered and informed thereof by e-mail.

Fig. 7

8. Under „My Exams“ (see fig. 8) you can not only see all the exams you have registered for, but you can also deregister from an exam here, provided the deregistration period has not yet passed.

Fig. 8

9. Click on „Go to exam deregistration“ (see fig. 9).
10. Confirm your deregistration by clicking on „Deregister“ (see fig. 10).

11. You will then receive a message from the system that your deregistration has been successfully completed (see fig. 11).
