

**PROMOS 2026 scholarship programme: Scholarships for student groups to support trips to competitions abroad**

**Application procedure for travelling to competitions abroad**

The following documents must be submitted to apply for support for student groups (including doctoral students) travelling abroad to take part in competitions:

- Justification for participation in the competition
- Description of the content of the competition
- List of participants with all signatures
- Financing plan
- Timetable (in tabular form)
- Description of the preparation of the content of the group trip in Germany
- Proof of contact from abroad

**The application must be submitted by a university teacher for the entire group. Individual applications by individual students are not possible! Please note that exchange and short-term students are unfortunately excluded from funding; likewise, funding cannot be granted retroactively after the trip has been completed. Only one supervisor can be funded per trip.**
